SURE FACT #102

"Since I moved my Home Owner Insurance to i'SURE, I'm saving R139.50 per month, money I'm ploughing back into my bond to reduce the term of my mortgage by almost 5 years – that's another saving of nearly R158 000!"

IT'S A FACT...

You cannot secure a bond without taking up Home Owner Insurance. But, the National Credit Act gives home owners the right to place their Home Owner Insurance policy with the insurance company of their choice – you do not have to accept the insurance your credit provider offers you.

And that's great news, because i'SURE can offer you Home Owner Insurance that is 20% to 30% lower than the premiums generally offered by credit providers.

ACT ON THE FACTS!

Call i'SURE on 0861 777 477 today for a free, no-obligation quote and discover how much i'SURE could be saving you. Then, when you move to i'SURE, we'll deal directly with your credit provider to ensure a hassle-free move!
